

Three leads by two bights (3x2):

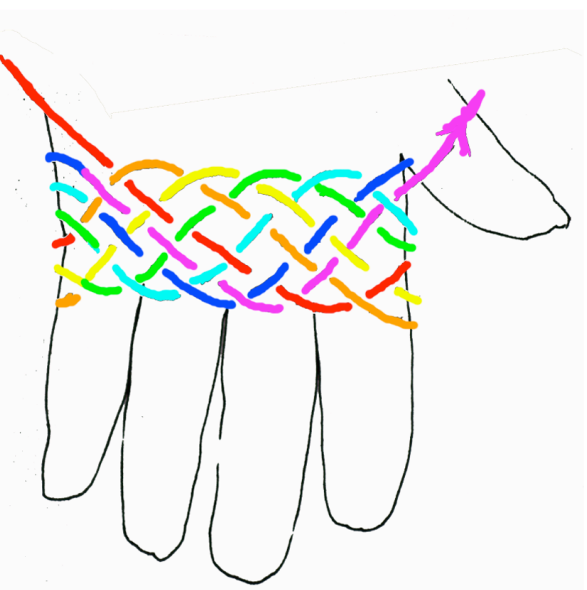

Increase 5x4 to 7x6:

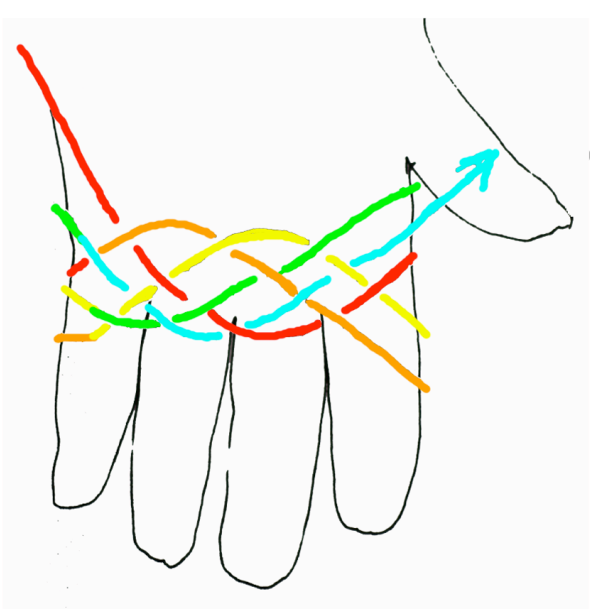

Increase 3x2 to 5x4:

7x6, and so on...

5x4, one pass:

The Turk's Head

This series of diagrams illustrates one beginning that turns into three different knots as more work is done. The three lead knot can be completed as-is, by threading the line through it multiple times, or it can be increased to a five lead knot, as shown, and completed, or it can be increased to a seven lead knot. *Copying and distribution okay, with copyright notice intact*
